## OVERVIEW

Triple-A talent and storytelling brings you a video game experience like you've never had before – now on PC for the first time ever.

### LIVE AN EXTRAORDINARY LIFE: ONE LIFE, TWO SOULS

A unique psychological action thriller delivered by A-list Hollywood performances by Ellen Page and Willem Dafoe, Beyond: Two Souls™ takes you on a thrilling journey across the globe as you play out the remarkable life of Jodie Holmes.

Born with a connection to a mysterious entity with incredible powers, Jodie is different.

Your actions will determine Jodie's fate as she faces extraordinary challenges, danger, and heart-wrenching loss on a journey to discover the truth of who she is.

Create an action-packed story through your choices and actions as you live her life – a girl born with a link to a supernatural entity called Aiden.

By playing as both Jodie and Aiden, you will face spectacular physical and psychological challenges to understand what truly lies... beyond.

## KEY FEATURES

- **TEST YOUR SKILLS WITH 'ADVANCED EXPERIMENTS'** – The original DLC mission from the PlayStation™ releases is included in the full PC game. The entire game is playable in two difficulty modes, and in Solo or Duo mode.

- **PLAY THE STORY THE WAY YOU WANT** – Cinematic or chronological order? Select the way you want to experience the story, and even play in local co-op mode using two different controllers for each player – one to play as Jodie and the other to play as Aiden. Play the way you want to play.
- **FULLY OPTIMIZED FOR PC** – Previously only available on PlayStation® consoles, Beyond: Two Souls is brought to PC with stunning visuals including 4K resolution, widescreen 21:9 compatibility, and 60 fps framerate.
